

Our Mission

To provide **"help for the journey"** to aging adults 65+ in ways that help maintain independence and quality of life.

Our History

Founded in 2009, NCBAM is a ministry of Baptist Children's Homes of North Carolina.

Our Partnerships

NCBAM values its alliances with non-profits, the private sector, and government agencies. However, the key to NCBAM's impact is found in its partnerships with **Baptist churches** and their volunteers across North Carolina.

How We Serve

NCBAM has **14 outreaches** to address the needs of aging adults in North Carolina.

Aging Adults Innovating Ministry (AAIM)

NCBAM's leadership network **provides annual conferences and support** for senior adult ministers and lay leaders.

Wise Up Enrichment Workshops

NCBAM team members **offer more than 40 basic classes and evidence-based programs** to senior adult ministries.

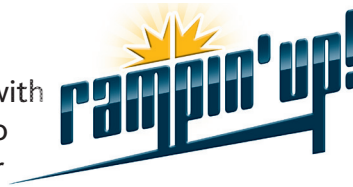

The NCBAM Call Center

In addition to referring callers to community resources, our **Call Center** connects the frail aging with church volunteers who share God's love by meeting needs for wheelchair ramps, grab bars, smoke alarms, light yard work, and friendly visits. **Call Center Specialists** are privileged to pray with callers. Call 877.506.2226, Monday - Friday, 9:00 AM - 5:00 PM.

Rampin' Up!

NCBAM partners with Baptist churches to provide wheelchair ramps. **Rampin' Up**, held biennially in conjunction with Operation Inasmuch, brings attention to the accessibility needs of seniors.

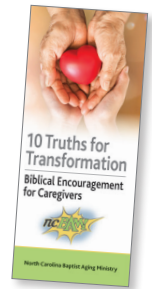

Priority #1: Prevention

Twelve innovative prevention programs help seniors stay on their feet and in their homes!

Christ the Cornerstone Publications

Our brochures, Bible studies, and devotionals help meet the spiritual needs of older adults—**a mission at the heart of NCBAM.**

Servant Care

We provide **ongoing needs assessments** and **priority access** to NCBAM services for NC Baptist ministers (65+), their spouses, or surviving spouses.

NCBAM Care Villages

provide geriatric management services to members—allowing them to age in place in their own homes.

One Hope workshops help churches create their own ministries to isolated seniors. The NCBCAM **Hope Line** is staffed by trained volunteers and receives calls daily, **9am-9pm.** (866.578.4673)

NCBAM's **intergenerational camps** provide opportunities **to be the hands and feet of Jesus** to aging adults in need.

NCBAM's other outreaches include:

Aging Well Conferences focus on aging well spiritually, emotionally, and physically.

Durable Medical Equipment

NCBAM can partner with your church to provide guidelines for starting a DME ministry.

Caregiver Resources include workshops, informational materials, and contact cards for caregivers.

Fall Prevention resources help seniors stay on their feet and in their homes.

Rise in the presence of the **aged**, show **respect** for the elderly and **revere** your **God**.
I am the LORD.
